HOTEL CALIFORNIA

The Eagles

On a dark desert highway
Cool wind in my hair
Warm smell of colitas
Rising up through the air
Up ahead in the distance
I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night
There she stood in the doorway
I heard the mission bell
And I was thinking to myself
"This could be Heaven or this could be Hell"
Then she lit up a candle
And she showed me the way
There were voices down the corridor
I thought I heard them say
Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year)
You can find it here
Her mind is Tiffany-twisted
She got the Mercedes Benz
She got a lot of pretty, pretty boys
That she calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember
Some dance to forget
So I called up the Captain
"Please bring me my wine"
He said, 'We haven't had that spirit here
Since 1969"
And still those voices are calling from far
away

Wake you up in the middle of the night
Just to hear them say
Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise (what a nice surprise)
Bring your alibis
Mirrors on the ceiling
The pink champagne on ice
And she said, 'We are all just prisoners here
Of our own device"
And in the master's chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast
Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
"Relax, " said the night man
"We are programmed to receive
You can check out any time you like
But you can never leave"

SWEET HOME ALABAMA

Lynyrd Skynyrd

Big wheels keep on turnin'
Carry me home to see my kin
Singin' songs about the south-land
I miss Alabamy once again and I think it's a
sin, yes
Well I heard Mister Young sing about her
Well I heard ol' Neil put her down
Well I hope Neil Young will remember
A southern man don't need him around
anyhow
Sweet home Alabama

Degenerates Bonfire Sing-A-Long

Where the skies are so blue
 Sweet home Alabama
 Lord I'm comin' home to you
 In Birmingham they love the governor (boo-
 hoo-hoo)
 Now we all did what we could do
 Now Watergate does not bother me
 Does your conscience bother you?
 Tell the truth
 Sweet home Alabama
 Where the skies are so blue
 Sweet home Alabama (oh yeah)
 Lord I'm comin' home to you
 Here I come, Alabama
 Now Muscle Shoals has got the Swampers
 And they've been known to pick a song or
 two (yes they do)
 Lord they get me off so much
 They pick me up when I'm feelin' blue
 Now how about you?
 Sweet home Alabama
 Where the skies are so blue
 Sweet home Alabama
 Lord I'm comin' home to you
 Sweet home Alabama (oh, sweet home)
 Where the skies are so blue
 And the governor's true
 Sweet home Alabama (lordy)
 Lord I'm comin' home to you, yeah, yeah

I'M YOURS

Jason Mraz

Well, you done, done me in, you bet I felt it
 I tried to be chill, but you're so hot that I
 melted
 I fell right through the cracks
 Now I'm trying to get back
 Before the cool done run out, I'll be givin' it
 my bestest

And nothing's gonna stop me but divine
 intervention
 I reckon it's again my turn
 To win some or learn some
 But I won't hesitate, no more, no more
 It cannot wait, I'm yours
 Hmm (hey, hey)
 Well, open up your mind and see like me
 Open up your plans and, damn, you're free
 Look into your heart, and you'll find love,
 love, love, love
 Listen to the music of the moment people
 dance and sing
 We're just one big family
 And it's our Godforsaken right to be loved,
 loved, loved, loved, loved
 So I won't hesitate, no more, no more
 It cannot wait, I'm sure
 There's no need to complicate, our time is
 short
 This is our fate, I'm yours
 Do you, do, do, do you
 But do you, do you, do, do
 But do you want to come on?
 Scooch on over closer, dear
 And I will nibble your ear
 A-soon da-ba-ba-ba-ba-bum
 Whoa, oh-oh-oh
 Whoa, oh-oh-oh-oh, whoa-whoa-whoa
 Uh-huh, hmm
 I've been spending way too long checking
 my tongue in the mirror
 And bending over backwards just to try to
 see it clearer
 But my breath fogged up the glass
 And so I drew a new face and I laughed
 I guess what I'll be saying is there ain't no
 better reason
 To rid yourself of vanities and just go with
 the seasons

Degenerates Bonfire Sing-A-Long

It's what we aim to do
 Our name is our virtue
 But I won't hesitate, no more, no more
 It cannot wait, I'm yours
 Well, open up your mind and see like me
 Open up your plans and, damn, you're free
 Look into your heart, and you'll find that the
 sky is yours
 So please don't, please don't, please don't
 There's no need to complicate
 'Cause our time is short
 This, oh, this, oh, this is our fate
 I'm yours
 Brr-ba-mmm, da-ba-mmm-day
 T-du, du, t-du, du, t-du, du, du, du, du-du-
 du
 Hmm-mm, oh, I'm yours
 Oh, I'm yours
 Oh-oh-oh-oh, whoa-oh-oh-oh
 Baby, do believe I'm yours
 You best believe, you best believe I'm yours

BEYOND ALL THINGS

Franny and Evyatar

And how can I reach you
 Break through the wall
 And are hearts will beat together through love
 Can we let it wash over us,
 the rivers of good will and grace?
 Can we change?

איך אפגוש אותך?
 אסיר המחיצה
 ולב ירוץ אל לב באהבה
 ואיך פורצים את הסכר
 ונהר של טוב ישוב לשטוף את הכל

Oh, and beyond all things.
 There's a heart that beats.
 And yearns for love.

להכנס אל תוככי הלב
 ולגלות שכל אדם אוהב

One day a new song will be heard
 And awaken all of the dreaming souls
 And loving kindness will reign
 And there shall be light.

שיר חדש אז ישמע
 יעורר את כל הנשמה
 והשלוח תשרור
 ולעת ערב יהיה אור

Oh, and beyond all things
 There's a heart that beats
 And yearns for love.
 להכנס אל תוככי הלב
 ולגלות שכל אדם אוהב

MEMORIES

Maroon 5

Here's to the ones that we got
 Cheers to the wish you were here, but
 you're not
 'Cause the drinks bring back all the
 memories
 Of everything we've been through
 Toast to the ones here today
 Toast to the ones that we lost on the way
 'Cause the drinks bring back all the
 memories
 And the memories bring back, memories
 bring back you
 There's a time that I remember, when I did
 not know no pain
 When I believed in forever, and everything
 would stay the same
 Now my heart feel like December when
 somebody say your name
 'Cause I can't reach out to call you, but I
 know I will one day, yeah

 I'll carry these torches for ya that you know
 I'll never drop, yeah

COUNTRY ROADS

John Denver

Almost heaven, West Virginia
 Blue Ridge Mountains, Shenandoah River
 Life is old there, older than the trees
 Younger than the mountains, growin' like a
 breeze
 Country roads, take me home
 To the place I belong
 West Virginia, mountain mama
 Take me home, country roads
 All my memories gather 'round her
 Miner's lady, stranger to blue water
 Dark and dusty, painted on the sky
 Misty taste of moonshine, teardrop in my
 eye
 Country roads, take me home
 To the place I belong
 West Virginia, mountain mama
 Take me home, country roads
 I hear her voice in the mornin' hour, she
 calls me
 The radio reminds me of my home far away
 Drivin' down the road, I get a feelin'

Degenerates Bonfire Sing-A-Long

That I should've been home yesterday,
yesterday
Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
Take me home, (down) country roads
Take me home, (down) country roads

LET IT BE

The Beatles

When I find myself in times of trouble,
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness she is standing
right in front of me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And when the broken hearted people living
in the world agree
There will be an answer, let it be
For though they may be parted, there is still
a chance that they will see
There will be an answer, let it be
Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be, be
And when the night is cloudy there is still a
light that shines on me
Shinin' until tomorrow, let it be

I wake up to the sound of music, Mother
Mary comes to me
Speaking words of wisdom, let it be
And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

SOUND OF SILENCE

Franny and Evyatar Cover

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence

חלום סוער מפעים אותי (A stormy dream
inflames me)
צועד במסדרונות ביתי (I walk down the halls
of my home)
פותח דלת אל עולם רועש (I open the door to
a noisy world)
אור פנס בוהק יורק בי אש (flashing lights hit
me like fire)
מסנוור, איני רואה דבר, מועקה (blinded, I
can't see a thing, distress)
קול דממה דקה (the sound of silence)

And in the naked light, I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never
share
And no one dared
Disturb the sound of silence

Degenerates Bonfire Sing-A-Long

ובתוך ים של אנשים (and among a sea of people)
 אדוות גלי הריגושים (ripples of the waves of excitement)
 גשם עז נתח מחריש מילה (a hard rain pours silencing words)
 אמת נרמסת בתוך המולה (truth is trampled by the masses)
 והלב הוא פועם בי בחוזקה, זעקה (and my heart beats hard, crying out)
 קול דממה דקה (the sound of silence)

And the people bowed and prayed
 To the neon god they made
 And the sign flashed out its warning
 In the words that it was forming
 And the sign said, "The words of the prophets are written on the subway walls
 And tenement halls"
 And whispered in the sound of silence

ונשבת רוח הגדולה (and the great wind blew)
 הרים סלעים היא מפילה (breaking mountains and shattering boulders)
 רעש כל יכול יוצא במחול (an all powerful earthquake dances out)
 שלהבת אש רוצה לשרוף הכל (flames of fire want to burn it all)
 לא ברוח לא ברעש לא באש (not it wind, not in storm and not in fire)
 בשתיקה (within the quiet)
 קול דממה דקה (in the sound of silence)

HOME

Edward Sharpe and the Magnetic Zeros

Alabama, Arkansas, I do love my Ma' and Pa'
 Not the way that I do love you

Well, holy moly, me oh my, you're the apple of my eye
 Girl, I've never loved one like you
 Man, oh, man, you're my best friend, I scream it to the nothingness
 There ain't nothing that I need
 Well, hot and heavy pumpkin pie, chocolate candy, Jesus Christ
 Ain't nothing please me more than you
 Oh, home, let me come home
 Home is wherever I'm with you
 Oh, home, let me come home
 Home is wherever I'm with you
 La-la-la-la, take me home
 Mother, I'm coming home
 I'll follow you into the park, through the jungle, through the dark
 Girl, I never loved one like you
 Moats and boats and waterfalls, alleyways and pay phone calls
 I been everywhere with you
 We laugh until we think we'll die, barefoot on a summer night
 fNothing new is sweeter than with you
 And in the streets, we run afree, like it's only you and me
 Geez, you're something to see
 Oh, home, let me come home
 Home is whenever I'm with you
 Oh, home, let me come home
 Home is wherever I'm with you
 Home, let me come home
 Home is whenever I'm with you
 Oh, home, let me come home
 Home is wherever I'm with you

KNOCKIN' ON HEAVENS DOOR

Guns N' Roses

Ooh-ooh-ooh

Degenerates Bonfire Sing-A-Long

Mama take this badge off of me
 I can't use it anymore
 It's getting dark, too dark to see
 I feel I'm knockin' on heaven's door
 Knock-knock-knockin' on heaven's door
 Knock-knock-knockin' on heaven's door
 Knock-knock-knockin' on heaven's door
 Knock-knock-knockin' on heaven's door
 Mama put my guns in the ground
 I can't shoot them anymore
 That long black cloud is comin' down
 I feel I'm knockin' on heaven's door
 Knock-knock-knockin' on heaven's door
 Knock-knock-knockin' on heaven's door
 Knock-knock-knockin' on heaven's door
 Knock-knock-knockin' on heaven's door

LITTLE FEET

Franny and Evyatar

Little feet running through the field
 Jumping to the sky
 You want to learn to fly
 Remind me of these wings of mine.

כל ילד אור (Every child is a light)
 חדש, נקי, טהור (New, clean and pure)
 רוצה להיות גיבור (Wants to be brave)
 לעוף, לקפוץ, לבחור (To fly, to jump, to choose)

Oh oh oh...

כל ילד נס (Every child is a miracle)
 בידי תופס (Holding my hand)
 רק רוצה לחיות (Just wants to live)
 ברגע להיות (To be in this moment)

May our hands be full
 Let us see the miracles
 And hear the song
 Of tiny hearts beating strong.

Lookin' up together at the stars
 I hold you in my arms
 Underneath the sky
 My reflection in your eyes

כל ילד אש (Every child is a fire)
 חיוך תמים כובש (With an innocent, charming smile)
 מצית לי את הלהבה (Ignites a flame within me)
 חושף בי את האהבה (Reveals love within me)

Oh oh oh...

כל ילד נס (Every child is a miracle)
 בידי תופס (Holding my hand)
 רק רוצה לחיות (Just wants to live)
 ברגע להיות (To be in this moment)

May our hands be full
 Let us see the miracles
 And hear the song
 Of tiny hearts beating strong.

And as I watch you fall asleep
 So pure and sweet
 Teach me how to dream

VINCENT

Don McLean

Starry, starry night
Paint your palette blue and gray
Look out on a summer's day
With eyes that know the darkness in my soul
Shadows on the hills
Sketch the trees and the daffodils
Catch the breeze and the winter chills
In colors on the snowy, linen land
Now, I understand what you tried to say to me
And how you suffered for your sanity
And how you tried to set them free
They would not listen, they did not know how
Perhaps they'll listen now
Starry, starry night
Flaming flowers that brightly blaze
Swirling clouds in violet haze
Reflect in Vincent's eyes of china blue
Colors changing hue
Morning fields of amber grain

Weathered faces lined in pain
Are soothed beneath the artist's loving hand
Now, I understand, what you tried to say to me
How you suffered for your sanity
How you tried to set them free
They would not listen, they did not know how
Perhaps they'll listen now
For they could not love you
But still your love was true
And when no hope was left inside
On that starry, starry night
You took your life as lovers often do
But I could have told you, Vincent
This world was never meant for one
As beautiful as you
Starry, starry night
Portraits hung in empty halls
Frameless heads on nameless walls
With eyes that watch the world and can't forget
Like the strangers that you've met
The ragged men in ragged clothes
The silver thorn of bloody rose
Lie crushed and broken on the virgin snow
Now, I think I know what you tried to say to me
How you suffered for your sanity
How you tried to set them free
They would not listen, they're not listening still
Perhaps they never will

HALLELUJAH

Leonard Cohen

Now I've heard there was a secret chord
That David played, and it pleased the Lord

Degenerates Bonfire Sing-A-Long

But you dont really care for music, do you?
 It goes like this, the fourth, the fifth
 The minor falls, the major lifts
 The baffled king composing Hallelujah
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 Your faith was strong but you needed proof
 You saw her bathing on the roof
 Her beauty and the moonlight overthrew
 her
 She tied you to a kitchen chair
 She broke your throne, and she cut your
 hair
 And from your lips she drew the Hallelujah
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 Well, maybe there's a God above
 As for me all I've ever learned from love
 Is how to shoot somebody who outdrew
 you
 But it's not a crime that you're hear tonight
 It's not some pilgrim who claims to have
 seen the Light
 No, it's a cold and it's a very broken
 Hallelujah
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 Instrumental
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 Well people I've been here before
 I know this room and I've walked this floor
 You see I used to live alone before I knew ya
 And I've seen your flag on the marble arch
 But listen love, love is not some kind of
 victory march, no
 It's a cold and it's a broken Hallelujah
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 There was a time you let me know

What's really going on below
 But now you never show it to me, do you?
 And I remember when I moved in you
 And the holy dove she was moving too
 And every single breath we drew was
 Hallelujah
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 Now I've done my best, I know it wasn't
 much
 I couldn't feel, so I tried to touch
 I've told the truth, I didnt come here to
 London just to fool you
 And even though it all went wrong
 I'll stand right here before the Lord of song
 With nothing, nothing on my tongue but
 Hallelujah
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 Hallelujah, Hallelujah
 Hallelujah
